

The background of the cover is a deep space scene. On the left, a large, detailed view of the Moon's surface is visible. In the center and right, the curved horizon of the Earth is shown, with blue oceans and white clouds. The sky is dark blue and black, filled with numerous small white stars and a few larger, brighter stars with diffraction spikes. The overall lighting is soft, with a bright glow from the sun or a distant star on the right side, creating a lens flare effect.

# ALEXANDER MARSHALL Selected Writings Volume 1

*You'll be taken on fast-paced trips to the stars; you'll see distant futures; you'll journey to alternate realities. You'll meet larger-than-life as well as ordinary heroes and heroines; you'll travel to the past and into fantastic forests full of the strangest things; you'll get to know people who might be real as well as people who are decidedly not. But, perhaps more significantly, you'll start to wonder about the boundary between fact and fiction, stories and truth, reality and illusion. 'Metafiction' is defined in the dictionary as 'fiction in which the author self-consciously alludes to the artificiality or literariness of a work by parodying or departing from novelistic conventions and traditional narrative techniques.' But in practice there can be a bit more to it, as you will find out, if you read on. Or you can put the book back on the shelf and never know...*

Stories of feuds and ghosts deep beneath the snow; of tragedies and wonder on the seas of a half-frozen world; of adventurers and curses, vendettas and blood-bonds, love and revenge, and mysteries which defy logic haunting the Great Ice. Meet ice-hardened ancient Genetians like Rilik, mighty snow-bears and white wolves, strange allies and supernatural rituals; meet weapons forged from snowcrystal, shrines carved out of stone, wondrous white birds that carry women far across the wastes, and the hint of yet deeper mysteries hidden in the immeasurable, cavernous abysses of this distant sphere. For lovers of fiction like that of Ursula K. Le Guin, or the Icelandic Sagas, or J. R. R. Tolkien, or mediaeval epics.

The image features a futuristic, alien landscape. The foreground and middle ground consist of dark, jagged rock formations and a terrain that glows with a vibrant blue light, suggesting a bioluminescent or energy-based environment. *When expert linguist and political rebel Daj Dimarco is press-ganged into the desperate diplomatic mission charged with ending the aggression, he has little hope of ever returning to his former life on Earth. But when an unexpected confrontation with a member of his own crew suddenly flings him into a world he could never have imagined, Daj becomes the only hope for humanity's continuing existence— if he can somehow stay alive himself...*

## CLARENDON HOUSE PUBLICATIONS

### **J. McCulloch, Author**

Clarendon House has what the majority of other publishers lack; the personal touch. Grant Hudson draws people into his cosy library (also known as the Inner Circle Writers' Group), sits them down and works his magic. Many new writers lack confidence in their ability, so Grant fine tunes their perspective, boosts their morale and sets them up to win. I have been humbled by his untiring efforts to help us all. We are his people. He is our mentor, our eccentric English professor and our much valued friend.

### **D. Taylor, Author**

As I was scrolling fb, and seeing all these ads from people claiming to help authors do this and do that, I thought to myself, Grant Hudson is the genuine mentor. Thanks for your solid advice.

### **P. O'Neil, Author**

Grant is the model mentor for this new age of writing.

### **A. Delf, Author**

The world is better with all this beautiful work seen at last.

### **M. Ahmed, Author**

A place where good literature is nurtured.

### **Brandy Metheney Bonifas, Author**

Clarendon House Publications is everything publishing should be. Grant Hudson is a caring editor and mentor who works closely with authors to produce top quality publications, and his writing community, The Inner Circle Writers' Group, is a safe and encouraging environment where established authors share their expertise and new writers are nurtured to spread their wings. I highly recommend!
